

Connect and Commit Leadership Application

Thank you for your interest in joining our leadership team. Being a leader in the Connect & Commit club is a year-long commitment. The club meets every Thursday from 6:30-7:30pm and all leaders are expected to attend every meeting. If you have a conflict or are sick, you need to let one of the club officers or the Program Director know in advance and should check in after the meeting to see what you've missed.

Name:

Year of Graduation:

Why do you think you deserve to be a Connect and Commit leader?

Some ideas to get you started: limited leadership attributes, past service experiences, ideas for future service projects.

As a leader, you are expected to attend weekly Connect & Commit meetings. What other commitments do you have after school that could interfere with your ability to meet that Thursday night commitment?

(sports, dance, music, tutoring, work, etc.)
